

Spring 2013 MME Aggregate Data Files Now Available

The Spring 2013 Michigan Merit Examination (MME) Aggregate Data Files have been posted on the BAA Secure Site at www.michigan.gov/baa-secure and are available for downloading by schools and districts.

If you have a User ID and Password for the BAA Secure Site, you can access your data files by selecting "Student Test Scores" from the menu at the left and then selecting the Spring 2013 MME test cycle. If you do not have access, please contact your district assessment coordinator for assistance.

PLEASE NOTE: Data files and reports are provided as a courtesy to schools and districts in advance of the release to the public and news media to allow you time to examine your school and district results. Until the public release, this data may be used for internal planning and professional development.

A date for the public release of this information will be scheduled by the Michigan Department of Education. You will be notified of the date, and will be able to access statewide results prior to the release.

RELEASE OF SCHOOL AND DISTRICT RESULTS IN ADVANCE OF THE PUBLIC RELEASE DATE TO BE ANNOUNCED BY THE MICHIGAN DEPARTMENT OF EDUCATION MAY JEOPARDIZE THE ADVANCE POSTING OF REPORTS FOR SCHOOLS IN THE FUTURE.

PDF reports are expected to be available to districts and schools in mid-June, with a public release of results to be scheduled soon after.
